Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

With approximately 2.96 billion users as of 2022, Facebook is undoubtedly one of the favoured social networking sites in the globe. As for students, they use Facebook for different purposes, including entertainment and academic learning. First, **it** is a relaxing channel where students comfortably tend to vent their negative thoughts on their school life via a status, share unforgettable memories, or watch multiple funny clips to relieve stress. Additionally, they can easily connect with those who have the same interests through

various Facebook pages, where they can enjoy reading top comments or discussing hot topics with each other. Second, Facebook, regarded as the biggest knowledge platform, enables learners to get access to an array of free learning materials and even ask for specialised knowledge from other friendly users. Besides, it's very convenient for students to create a Facebook group chat on Facebook Messenger to upload and share lectures, prepare for class presentations as well as do assignments together. In short, Facebook can contribute to students' academic achievements if they take full advantage of it in an appropriate way.

Question 31. What is the passage mainly about?

- A. The drawbacks of Facebook in student's learning.
- B. The benefits of Facebook in student's learning.
- C. The history of Facebook.
- D. The development of Facebook in student's learning.

Question 32. What does the word **it** in line 4 mean?

- A. Facebook
- B. entertainment
- C. school life
- D. purpose

Question 33. According to the passage, where can students find like-minded ones?

- A. Facebook Messenger
- B. Facebook comments
- C. Facebook pages
- D. Facebook videos

Question 34. Why is Facebook called the biggest knowledge platform?

- A. Because students can gain a large number of free learning materials.
- B. Because students can enjoy a large number of English videos.
- C. Because students can talk to a large number of knowledgeable users there.
- D. Because students can join groups related to their academic interests.

Question 35. Which of the following is NOT the main purpose when students form a learning group chat?

- A. Preparing for class presentations.
- B. Planning social events.
- C. Discussing hot topics with each other.
- D. Venting their negative thoughts on their school life.

Question 36. What is the author's perspective on the use of Facebook for students?

- A. It is mostly harmful and should be avoided.
- B. It can be beneficial if used appropriately for academic purposes.
- C. It has no impact on students' lives.
- D. It is only useful for social interactions.
