Announcement: English Medium Instruction

Dear Students and Parents,

Dear Students and Larents,
We are pleased (1) that starting Monday, August 28th, all subjects will be taught (2)
English. This includes Mathematics, Science, History, and more.
We believe this change will enhance language skills and (3) students for (4) globalized
world.
For any questions or concerns, please contact the school office.
Best regards,

B. announcing	C. to announce	D. announce
B. with	C. in	D. for
B. confuse	C. delay	D. forget
B. a	C. the	D. Ø
	B. with B. confuse	B. withC. inB. confuseC. delay

Exercise 3: Read the following passage and mark the letter A, B, C, or D to indicate the correct word that best fits each of the numbered blanks.

 Φ There are over 7,000 (1) _____ in the world today. English is probably the most widely spoken language by native speakers after Mandarin Chinese, but it's also the most widely learned second language and is an official language in many countries. One reason (2) _____ English is so widespread is because it has become the main language of international business and politics. For example, most of the information on the Internet is in English, so many people translate and learn English as a second language. Another reason is the (3) _____ of American culture through movies, TV shows, and music. Many people around the world also know about Hollywood and American fast food chains.

However, this doesn't mean that everyone speaks English well. In fact, only about 20% of the world's (4) _____ speaks English at all! Also, many people use English at work, but not at home. Therefore, English may be important for global communication, but it's not going to replace other (5) languages anytime soon.

Exercise 4: Read the following passage and mark the letter A, B, C, or D to indicate the correct answer to each of the questions.

A World of English: Exploring Varieties of Europe

English has become a global language, and Europe is no exception. While it's not the native tongue of most Europeans, English plays an important role in education business, and international communication. But the English spoken in Europe isn't monolithic. Here are some fascinating facts of the world of English varieties across the continent.

Established English Varieties:

- **British Isles:** the United Kingdom and Ireland have their own well-established Englishes, with distinct accents, vocabulary, and even spelling (think "colour" vs. "color"). Hiberno-English (Ireland) and Scottish English showcase these unique features.
- **Former British Colonies:** Countries like Malta and Cyprus, with a history of British rule, use English as an official language, often influenced by British-English conventions.

Euro English:

• A Blend of Influences: this emerging variety, used in the European Union (EU) context, reflects the multilingual nature of the EU. It incorporates elements of British English, technical terms, and influences from the native languages of its speakers.

- **Unique Features:** Euro English might use calques (direct translations from other languages), have specific vocabulary related to EU functions, and exhibit slightly different grammar structures.
- Learning and Using English in Europe:
- **Education:** English is a required subject in most European schools, with a focus on standard British or American English for communication
- **Communication:** English serves as a lingua franca (common language) for Europeans from different countries. This Euro English variety allows for mutual understanding despite national variations.

Multiple Englishes, Shared Benefits:

The presence of various English dialects in Europe reflects the continent's rich linguistic landscape. While there might be slight differences, the score remains the same: English as a tool for communication and understanding across borders.

(Adapted from Euronews https://www.euronews.com/2020/04/23/world-language-day-do-you-speak-

euro-english)

- 1. Which of the following is NOT a feature of Euro English?
 - A. British English influence B. Technical terms of the EU
 - C. Grammar similar to American English D. Influence from speakers' native languages
- 2. In what context is Hiberno-English most likely spoken?

A. America B. Ireland C. Germany D. Malta

- 3. The primary reason English is taught n European schools is _____

 A. to replace native European languages

 B. to prepare students for travel
 - C. as a requirement for working in the EU D. to ease communication across Europe
- 4. The presence of various Englishes in Europe suggests _____

A. English should be standardized globally. B. Europeans struggle to communicate in English.

C. English is adapting to different contexts. D. There is only one "correct" English.

5. What is the main idea of the passage about English in Europe?

- A. English acts a bridge for communication and understanding in Europe.
- B. Different European countries all have their own unique versions of English.
- C. English is a required subject in European schools to promote travel opportunities.
- D. British English is the dominant form of English used across Europe.
- **②** There are three important things to **keep in mind** when trying to learn new vocabulary.

First, connect new words to a story or a situation. This makes it easier to remember vocabulary than studying words from lists.

Second, be active, not passive. Make youself use new words.

Here are some ways to do that:

* When you find a new word or expression in a story, repeat the sentence and think of the situation connected to the new vocabulary. Write down then repeat in your head three to five more sentences that use the new vocabulary.

* Make your own short story and include several new words you want to remember. Each time you retell the story, you will review the new vocabulary in your mind.

* Make yourself explain the new word like you are a teacher. This is a great way to test how well you understand and can use the vocabulary. And if you have a study partner, you can explain the new vocabulary like you are a teacher!

Third, learn and relearn the new words **frequently** until they become your own words, not new words anymore.

C. efficiently

1. The phrase "**keep in mind**" in the first paragraph means _____

A. remember B. forget C. maintain D. last

- 2. According to the passage, the first thing you should do to learn new words is to _____.
 - A. read a storyB. solve a situationC. make a word listD. connect the words to a situation

3. The word "**frequently**" in the last paragraph means .

- A. easily B. often
- 4. It is TRUE from the passage that _____.
 - A. learning vocabulary needs to be active.
 - C. learning vocabulary needs to be passive.
- B. everyone finds it hard to learn vocabulary.

D. hardly

D. you shouldn't make yourself use the words.

Bài tập Tiếng Anh 9 (Global

5. What is the best tittle for the passage?

A. learning vocabulary is fun

B. tips to learn vocabulary

C. make a story with new vocabulary

D. relearning vocabulary is a must.

^③ To effectively learn a language, it is crucial to identify your goals - whether you want to focus on academic **proficiency** or practical communication skills - in order to **adopt** appropriate learning strategies.

Academic English is the kind of English you need for university, or for international exams like TOEFL and IELTS. It's more formal than everyday English, and it's used in business situations too. If you want to improve your academic English, first of all, read as much as you can. You should read different kinds of texts, like articles, academic papers, and online forums, to increase your vocabulary. Also, practise writing regularly. You should practise writing essays on different topics, and ask your teacher for feedback. This will help you improve your writing style and grammar.

On the other hand, if you want to improve your communication skills, there are some slightly different things you can do. To start with, try to find opportunities to speak English with native speakers. This will help you get used to speaking English in a relaxing, informal way. Moreover, fun sources like TV series, music, or podcasts can help you become more familiar with the sounds and rhythms of English, therefore, improve your pronunciation. Last but not least, don't be afraid to make mistakes! The more you practise, the more confident you'll become.

1. What is the main idea of the passage?

- A. Academic English is more important than communicative English.
- B. Different language learning goals require different approaches.
- C. Reading is the most important skill for learning English.
- D. Everyone should learn English for academic purposes.
- 2. The word "**adopt**" in the 1st paragraph is closest in meaning to B. use C. create A. reject
- 3. What does the word "**proficiency**" in the passage mostly mean? A. difficulty B. skill C. fluency

4. Which of the following is NOT true according to the passage?

- A. Academic English is used in business contexts.
- B. Watching TV series can help improve pronunciation.
- C. Writing practice is essential for academic English.
- D. Speaking with native speakers is the only way to improve communication skills.
- 5. The author suggests that learners who want to improve their communication skills should

A. focus on reading academic papers.

- B. avoid making mistakes at all costs.
- C. engage in relaxed conversations with native speakers.

D. primarily use formal language.

Exercise 5: Four phrases/sentences have been removed from the text below. Choose the correct answer to complete the text. Write only the letter A-D in each blank. 1
