 $\bigcirc$  I live in Newquay. It's a small town on the Atlantic coast in the south of England. It has got great beaches and it is the best place to surf in the UK. There are lots of surf schools where you can learn how to surf. I go surfing with my friends every weekend. My favourite place is Fistral Beach.

I love Newquay because there are lots of other things to do as well as surfing. If you like water sports, you can go kayaking or water-skiing. If you like animals, you can visit the Blue Reef Aquarium and see lots of different fish and even sharks. You can also go horse riding on the beach or visit Newquay Zoo. There are lots of other attractions too like mini golf and bowling. Come and see for yourself! GA

### My neighbourhood

My name is Nick. My neighbourhood is not in the city. It's in the suburbs. It is very peaceful and quiet. It is a new neighbourhood, and there are a lot of big houses and some apartment buildings. There are a lot of big trees and there aren't many cars so the streets are very clean.

There's a park in my neighbourhood, which has a small playground for children, I like to play baseball there with my friends after school.

There aren't any restaurants, bars or cinemas on my road. But, if you go to Main Street, you can find a lot of things to do.

I like my neighbourhood because it is very safe. There is no crime, and all of my neighbours take care of each other. I think I am lucky to live in my neighbourhood.

I live in the countryside. There are some things I like about my neighbourhood. There are a lot of green trees and large beautiful parks in my neibourhood, so the air is very fresh. It's wonderful/ great for out door activites. It's very convenient here because there are a lot of shops, shopping centres, restaurants and markets... The people here are friendly and hospitable. The food is very cheap and delicious. It's better than in other places. However, there are two things I dislike about it. There are many modern big houses; the streets are busy and crowded. Anyway, I like living in my neighbourhood because It's very clean and convenient.
