VI. Read the passage. Do as request.

Dear Mrs. Clancy,

My name is Tony and I am in Class 7D. I am writing to ask you to provide us with healthier food in the cafeteria.

At the moment, it only sells things like soda and fast food. It really isn't good for students. It makes us feel tired after eating lunch. My classmate even fell asleep at his desk in math class and got in lots of trouble. It makes it so difficult for us to study.

I think the cafeteria should sell things like fruit juice and salads. They are so much better for us and will help us study better and feel healthier. I also think it should sell less fast food and soda.

Please help make the cafeteria healthier.

Sincerely,

Tony Jones
