Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the option that best fits each of the numbered blanks from 18 to 22.

Each member of a family plays a vital role in creating a supportive and loving environment. These roles, though distinct, are interconnected and contribute to the overall harmony and functioning of the household.

Parents are often regarded as the foundation of the family. They provide for the family's physical and emotional needs, offering guidance and teaching values such as kindness, respect, and responsibility. (18) _____. Fathers and mothers may divide tasks, but their shared goal is to ensure the well-being and development of their children.

Children, on the other hand, bring joy and energy to the family. (19) _____. Their curiosity and enthusiasm for life can inspire parents and create a sense of purpose. While they rely on their parents for support and guidance, children also contribute to the family by (20) _____.

Grandparents (21) _____ often play a unique and cherished role. In many families, they provide additional support in raising children, creating strong multi-generational bonds.

Every family member, whether young or old, contributes in their way. (22) _____. By fulfilling their responsibilities, family members strengthen their connections, making the family a place where everyone feels valued and supported.

Question 18: **A. For this reason, parents play a vital role in guiding children.**

B. This ensures that children have balanced support and care.

C. Who focuses only on their individual responsibilities.

D. However, parents often face challenges while raising kids.

Question 19: **A. They are the foundation of every family structure.**

B. Their enthusiasm is a key factor in family happiness.

C. Which helps in maintaining the family's values.

D. Because their energy supports the entire family system.

Question 20: **A. helping their siblings and participating in family activities**

B. supporting their grandparents financially

C. teaching their parents essential skills for life

D. ensuring that their siblings depend solely on them

Question 21: **A. rarely contribute to family relationships**

B. who pass down traditions and share life lessons

C. generally live away from their families

D. whose role is limited to financial support

Question 22: **A. Therefore, each role is equally important in building a happy home.**

B. Moreover, the family bond depends entirely on the children's behavior.

C. As a result, this makes grandparents the most important members.

D. However, Families cannot function without strict roles.

Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the best answer to each of the following questions from 23 to 30.

A healthy lifestyle is essential for maintaining good health and preventing diseases. One of the most important aspects of a healthy lifestyle is a balanced diet. Consuming a variety of nutrient-dense foods, including vegetables, fruits, whole grains, and lean proteins, helps provide the body with the vitamins and minerals it needs. Reducing the intake of processed foods, sugary drinks, and unhealthy fats is also crucial for keeping the body in optimal condition. Drinking enough water throughout the day is another important habit to maintain hydration and support bodily functions.

In addition to diet, regular physical activity is vital for overall health. Engaging in exercise not only helps improve cardiovascular fitness and muscle strength but also **boosts** the immune system, reduces stress, and maintains a healthy weight. Activities such as walking, running,

cycling, or practicing yoga for at least 30 minutes a day can significantly improve one's health and energy levels.

Equally important is getting enough sleep. Adults should aim for 7-8 hours of quality sleep each night to allow the body to repair **itself** and rejuvenate. Sleep is essential for mental clarity, emotional balance, and physical health.

Finally, managing stress and maintaining a positive mindset are key components of a healthy lifestyle. Taking time to relax, practicing mindfulness, and finding joy in everyday activities can improve mental well-being and reduce the risk of stress-related illnesses. Regular health check-ups are also important for early detection of potential health issues.

By adopting a healthy lifestyle that includes proper nutrition, exercise, sleep, and stress management, individuals can enjoy a longer, healthier, and happier life.

Question 23: What can be inferred about the relationship between sleep and health?

- A. Sleep has no effect on physical health.
- B. Sleep is important for mental clarity and physical health.**
- C. Lack of sleep only affects emotional balance.
- D. Sleep is only necessary for physical recovery.

Question 24: What is the main idea of the passage?

- A. A healthy lifestyle requires a balanced diet and regular exercise.
- B. Managing stress is the most important aspect of a healthy lifestyle.
- C. Healthy lifestyle habits can prevent diseases and improve overall well-being.**
- D. Sleep is the most important factor in maintaining good health.

Question 25: Which of the following best paraphrases the underlined sentence in paragraph 3?

- A. Sleep is crucial for maintaining emotional stability, mental sharpness, and overall health.**
- B. Sleep affects only emotional health and does not impact physical well-being.
- C. Sleep helps to improve physical health, but it is not important for mental clarity.
- D. Sleep is not needed for emotional balance, but it supports physical health.

Question 26: In which paragraph does the writer mention the importance of drinking enough water?

- A. Paragraph 1**
- B. Paragraph 2
- C. Paragraph 3
- D. Paragraph 4

Question 27: The word “**boosts**” in paragraph 2 is OPPOSITE in meaning to _____.

- A. strengthens
- B. weakens**
- C. enhances
- D. supports

Question 28: The word “**itself**” in paragraph 3 refers to _____.

- A. adult
- B. health
- C. body
- D. sleep

Question 29: Which of the following is **NOT** discussed in the passage as a benefit of a healthy lifestyle?

- A. Improving cardiovascular fitness through exercise.
- B. Enhancing the body’s ability to fight off infections.
- C. Increasing the amount of sleep needed for physical health.**
- D. Reducing stress through regular physical activity and relaxation.

Question 30: In which paragraph is the importance of managing stress mentioned?

- A. Paragraph 1
- B. Paragraph 2
- C. Paragraph 3**
- D. Paragraph 4

Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the best answer to each of the following questions from 31 to 40.

The Impacts of Artificial Intelligence on Modern Society

[I] Artificial Intelligence (AI) has made **remarkable strides** in recent years, becoming a pivotal force in transforming various sectors globally. [II] It is estimated that AI technologies could contribute up to \$15.7 trillion to the global economy by 2030, reshaping industries and creating

- C. The use of AI in law enforcement ensures fairness and unbiased decisions.
- D. Ethical guidelines are unnecessary for the development of AI.

Question 36: The word "**enhance**" in paragraph 2 is OPPOSITE in meaning to _____.

- A. improve
- B. boost
- C. diminish**
- D. augment

Question 37: Which of the following is TRUE according to the passage?

- A. AI technologies are expected to contribute \$20 trillion to the global economy by 2030.
- B. Job displacement due to AI is not a significant concern.
- C. The ethical implications of AI are minor and easily managed.
- D. AI can significantly improve productivity and efficiency in various industries.**

Question 38: Which of the following best paraphrases the underlined sentence in paragraph 4?

- A. AI has minimal impact on advancing society and does not require addressing challenges.
- B. Despite the challenges, AI offers vast opportunities that can be equitably distributed with proper guidelines.**
- C. AI's potential benefits are limited to specific sectors and do not require extensive ethical considerations.
- D. Implementing robust guidelines can hinder the potential of AI in society.

Question 39: Which of the following can be inferred from the passage?

- A. The integration of AI is evenly distributed across all industries.
- B. AI technologies are unlikely to cause significant social and economic disparities.
- C. Proper regulation and ethical guidelines are essential to harness the potential of AI.**
- D. The concentration of AI technologies in few corporations is beneficial for innovation.

Question 40: Which of the following best summarises the passage?

- A. AI is transforming various sectors globally, and while it offers significant opportunities, it also presents challenges that need to be managed through ethical guidelines and inclusive policies.**
- B. The rapid growth of AI technologies poses minimal challenges, and their benefits are already equitably distributed across industries.
- C. AI's development is largely uncontested and poses no ethical or social issues.
- D. AI's impact is limited to the healthcare and automotive industries, with no significant effects on other sectors.
