designed for it.

Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

If you are the type of person who loves to meet many different people from different cultures and social status, then the city is better for you. The city is where people from all different background and status come to work and live because everything so centralized in the city. The city's population is also more **concentrated**, so you also have a higher chance of meeting people. In the country, the distance between other people is harder, so it is less convenient to meet other people. Hence, if you want a busy social life, the city is better.

If you have asthma or you are really sensitive to population, then the country lifestyle is best for you. In the country there is much less population because there are fewer cars, traffic and industrial **plants** in the country. There are also more trees, rivers and other natural scenery. If you want your kids to run around in open safe environments, then the country is also much better.

Question 31. You should live in the city if ____.

- A. you have asthma
- B. you have problems with breathing diseases
- C. you want to meet people from different social status
- D. you want your children to run around in open environments
