#### Save Power, Save the Planet

Have you ever left the fan running or the lights on in an empty room? These small actions may seem harmless, but they quietly increase your electricity bill and harm the planet. By simply turning off unused appliances, you can **(25)** \_\_\_\_\_ unnecessary expenses and help reduce carbon emissions. **(26)** \_\_\_\_\_ saving money, you are also doing your part to protect the Earth. It's easy to make simple **(27)** \_\_\_\_\_ - like switching off your computer when not in use or unplugging the charger. These small steps truly matter.

Every home, office, or school uses power daily. But when we waste it, we increase energy **(28)** \_\_\_\_\_, which hurts our environment. Sadly, many people do not know how much power is wasted due to a lack **(29)** \_\_\_\_\_ action. But it's not too late. Each of us can **(30)** \_\_\_\_\_ contributions by changing habits and encouraging others. Together, we can build a cleaner, greener future.

#### Better Cities, Brighter Lives

Cities are growing quickly as more people move in to find better jobs and lives. But urbanisation also brings new challenges. Traffic (37) \_\_\_\_\_ has become a major issue in many cities, making travel time longer and more tiring. Many citizens are concerned (38) \_\_\_\_\_ the lack of safe housing and clean air. (39) \_\_\_\_\_ these problems, cities still offer many chances to grow and succeed - if we act now.

We need to (40) \_\_\_\_\_ priority to smart city planning that helps people live better. That means building more parks, improving public transport, and making sure hospitals and schools are (41) \_\_\_\_\_ to all. Governments and communities should work together to solve problems and make life easier. It's also time to (42) \_\_\_\_\_ new ways to use technology and smart ideas to shape better cities. With teamwork and planning, we can make cities cleaner, safer, and happier for everyone.

#### Break the Bias

On International Women's Day, we celebrate the strength, wisdom, and achievements of women around the world. But this day is also a reminder that gender (49) \_\_\_\_\_ still exists in many parts of society. Many women are afraid to speak up (50) \_\_\_\_\_ being judged or ignored. Some workplaces still believe that men are superior (51) \_\_\_\_\_ women, even when women do the same or better work. Old stereotypes make people think women can't (52) \_\_\_\_\_ leadership roles. That's simply not true. It's time to (53) \_\_\_\_\_ in mind that equality means respect, fairness, and freedom for all genders. We must take drastic (54) \_\_\_\_\_ to change laws, support education, and offer equal chances to everyone, regardless of gender. Stand with us this March 8. Say yes to equal rights for all.
