### **C. READING (3.0 points)**

#### **Part 1. Reading Comprehension (1.25 points)**

Read the passage and choose the correct answer for each question.

Technology has changed the way we learn. In the past, students only had books and pens. Today, electronic devices like tablets and laptops are common in classrooms. With the internet, students can access a huge amount of information from anywhere. Teachers also use smartboards to make lessons more interactive. However, some people worry that students might become too dependent on technology and lose their social skills. It is important to find a balance between using digital tools and traditional learning methods.

What is the main idea of the passage?

- A. The history of books    B. The impact of technology on learning    C. How to use a tablet    D. The importance of social skills

What did students use in the past according to the text?

- A. Tablets    B. Laptops    C. Books and pens    D. Smartboards

What allows students to access information from anywhere?

- A. The internet    B. Smartboards    C. Pens    D. Traditional methods

What is a potential disadvantage of using too much technology?

- A. Lessons become interactive    B. Students lose social skills    C. Information is easy to find    D. Teachers work less

The word 'interactive' in the passage is closest in meaning to \_\_\_\_\_.

- A. boring    B. engaging    C. difficult    D. expensive

**Part 2. Cloze Test (1.75 points)**

Choose the correct word to fill in each blank.

Choosing a career is one of the most (27) \_\_\_\_\_ decisions in life. Many students feel (28) \_\_\_\_\_ when they have to pick a path.
