## TAPESCRIPTS

### A. LISTENING: (2.0 pts) Mỗi câu làm đúng đạt 0.25 điểm:

#### I. Listen and choose the best option to complete each sentence. (1.0 điểm).

1. When I went to Hawaii. I spent the first few days in Honolulu. Everything was really expensive there, especially in the restaurants. Four dollars for a soda! But the beaches were wonderful. The sand was so soft and the water was so clean.
2. Sydney is one of my favorite cities in Australia. There are some great buildings there, like the famous opera house. The only problem is the weather. Spring and fall are okay, but the summer is too hot for me.
3. Vancouver is a nice city to visit, but don't go in the winter. It's much too cold! The rest of the year is great, though. And there are plenty of clubs, restaurants, and other places to go at night.
4. One of my favorite cities is New York. There's so much culture there. I spent two weeks there last summer, and every day I went to a different museum, play, musical performance, or poetry reading. The only thing I don't like about New York is the traffic noise. You can hear cars driving and honking all night long.

#### II. Listen to the passage and write ONE WORD to fill in each blank: (1.0 pt)

My friends and I flew down here to the beach for spring break. Of course, we were really excited about swimming and partying and meeting other college students. Our hotel is full of families and little kids, though! The restaurants are terrible—really crowded with kids, and noisy—and they're really slow, too. The hotel should have one restaurant that's just for adults, I think. Another problem is the service. The staff is too busy running activities for the little kids, so sometimes they don't bring us new towels or clean the room. One good thing is the room. It's really big, and it has a great view of the beach. The price is great, too. I guess most college students don't want to stay here, so the room rates are low.
