III. READING (3.0 points)

Read the passage and complete Tasks A and B.

The pupils in class 5C enjoy many school activities. Minh likes solving maths problems because he thinks they are interesting. Lucy likes reading books in the library. She says books are useful and help her learn new words. Nam and Mai like doing Science projects together. They think group work is fun. Peter does not like difficult maths problems, but he enjoys playing word games in English lessons. Their teacher gives them time for a favourite activity every Friday.

A. Write T (True) or F (False). (5 x 0.3 = 1.5 points)

1. _____ Minh likes solving maths problems.
2. _____ Peter likes difficult maths problems.
3. _____ The class has favourite-activity time on Fridays.
4. _____ Nam and Mai do Science projects together.
5. _____ Lucy thinks books are useless.

B. Answer the questions. (5 x 0.3 = 1.5 points)

1. Why does Minh like maths problems?

2. Where does Lucy read books?

3. How do books help Lucy?

4. What do Nam and Mai think of group work?

5. What games does Peter enjoy?
