D. READING (2.25 points)

Part 1. Cloze Test (1.0 point)

Read the passage and choose the correct word for each blank.

In the future, choosing a career will be very different. Many traditional jobs might disappear because of (25) _____. Robots will be able to do many tasks that humans do today. However, there will be new (26) _____ in fields like space travel and green energy. Students should focus on (27) _____ soft skills like communication and problem-solving. They also need to learn how to use advanced electronic (28) _____ effectively.

Blank (25)

Blank (26)

Blank (27)

Blank (28)

Part 2. Reading Comprehension (1.25 points)

Read the text and choose the correct answer A, B, C, or D.

Mars is often called the 'Red Planet' because of its reddish appearance. It is the fourth planet from the Sun and the second-smallest planet in the Solar System. Scientists are very interested in Mars because they think it might have had liquid water in the past. Today, many space agencies are sending robots to explore its surface. They want to find out if humans could live there one day. However, living on Mars would be very difficult because the atmosphere is very thin and there is no oxygen to breathe.

Why is Mars called the 'Red Planet'?

- A. Because it is hot
- B. Because of its reddish appearance
- C. Because it has fire
- D. Because it is small

Which planet is Mars from the Sun?

- A. Third
- B. Second
- C. Fourth
- D. Fifth

What did scientists think Mars had in the past?

- A. Liquid water
- B. Forests
- C. Cities
- D. Aliens

What are space agencies sending to Mars today?

- A. Humans
- B. Animals
- C. Robots
- D. Plants

Why would living on Mars be difficult?

- A. Because it is too far
- B. Because there is no oxygen
- C. Because it is too small
- D. Because it is too red

E. WRITING (1.75 points)
