III. Reading Comprehension 1 (1.25 điểm)

Đọc đoạn văn và trả lời câu hỏi.

In the past, the extended family was the most common family type in Vietnam. Three or even four generations lived under one roof. Grandparents, parents, and children shared the housework and supported each other. Children learnt moral lessons and traditional values from their grandparents. However, Vietnamese lifestyles have changed. Today, the nuclear family, consisting of only parents and children, is becoming more popular, especially in cities. Young people want more privacy and independence. They often move to big cities to study or work. Despite these changes, family members still gather on special occasions like Tet or death anniversaries to maintain their strong bond.

19: What is the main idea of the passage?

- A. The disappearance of extended families.
- B. Changes in Vietnamese family structures.

- C. How to celebrate Tet holiday.
- D. The conflict between generations.

In the modern world, technology has changed the way we choose careers. Many traditional jobs are disappearing, while new jobs related to AI, robotics, and data science are emerging. For example, a "social media manager" was not a job title twenty years ago, but now it is a popular career path for many young people. To succeed in this changing world, students need more than just academic knowledge. Soft skills like critical thinking, collaboration, and adaptability are becoming essential. Moreover, the concept of "lifelong learning" is crucial. Workers must constantly update their skills to use new electronic devices and software. If you stop learning, you might be left behind. Therefore, career orientation at school should focus on preparing students for a digital future where flexibility is key.

24: What is the best title for the passage?

- A. How to become a Social Media Manager.
- B. Career Choices in a Changing World.
- C. The Dangers of AI and Robotics.
- D. Traditional Jobs in Vietnam.

25: According to the passage, which of the following is NOT mentioned as a necessary skill?

- A. Critical thinking
- B. Collaboration
- C. Adaptability
- D. Physical strength

26: The word "**emerging**" is closest in meaning to _____.

- A. appearing
- B. disappearing
- C. stopping
- D. failing

27: Why is "**lifelong learning**" important?

- A. Because schools don't teach enough.
- B. To update skills for new technology.
- C. To get higher grades in exams.
- D. Because traditional jobs are safe.

28: What does the word "**it**" in paragraph 1 refer to?

- A. The modern world
- B. A social media manager
- C. Technology
- D. Twenty years ago
