My name is.....

Summary of Procedures

The usher introduces the child to the examiner. The examiner asks how old the child is.

2. The examiner tells the child the name of the story and describe the first picture, e.g. “Linda gets up at 7:00 a.m. She thinks she is late for school”. The examiner then asks the child to continue to tell the story.
3. The examiner shows how to do the task with the first odd-one-out set of pictures. For example: ‘These are all places. But this is a room in a house’. Then the examiner asks the child to choose one picture in the other three sets and say which is different and why.
