VIII. Read the passage, then finish the tasks below (1.5pts)

English has almost become an international language. Except for Chinese, more people speak English than any other languages. Spanish is the official language of many countries in the world but more countries have English as their official or unofficial second language. More than 70% of the world's mail is written in English. In international business, English is used more than any other languages and *it* is the language of airlines pilots and air traffic controllers all over the world. Moreover, English is the language of diploma throughout the world. Therefore, unless you plan to spend your life alone on a desert, it is a useful language to know.

*** True or False**

31. English is the worldwide language nowadays. _____
