V. READING (2 points)

A. Read passage and mark the following statements as True (T), False (F) or No Information (NI).

HOMES IN THE FUTURE

In the future, technology will allow homes to be 'smart'. There won't be any housework to do because everyone might have robot helpers to clean the house and cook the meals. Automatic fridges will tell you what food to buy. Alarm clocks will read your daily schedule and know what time you need to get up. Robots will go shopping, look after the children or drive you to work. Robots will be able to show feelings with their faces, too. They might smile, make eye contact or speak to you. And computers might even think like humans. In the future, we might not need to tell computers what to do because they might decide for themselves. Moreover, space tourism will be a popular type of holiday in the future. People will go on holiday to the moon or to other planets. I think that will be a really exciting life.
